

Washtenaw County Senior Leaders INC

SENIOR SERVICES INFORMATION AND NETWORKING

About Us:

Washtenaw County Senior Leaders, Inc. (WCSL), a nonprofit corporation, evolved from the largest and oldest senior services networking group started by volunteers in 2007 in Washtenaw County. Our members consist of individuals having or working in a business or non-profit organization which provide senior-related services for the older adults and their families in and around our county. While our current membership stands close to 100 individuals, most monthly meetings have an average attendance of 35-45 members who gather once a month at various hosting locations within the Washtenaw County area.

The group is comprised of kind-hearted professionals from a variety of backgrounds and businesses who have an enjoyable time being together and helping one another. Unlike many other networking groups, we do not limit the amount of individuals who are in a particular niche; competition for business and referrals just isn't our style! Instead, we refer clients to the individual or business that best fits the specific needs and personality of the "senior-in-need".
